## Imprintable

Printable Wristbands are designed to work with all card embossing machines, as well as thermal or laser labels. Our specialized imprint area is designed for easy transfer of data. Written or printed information will not smear. Made from soft, comfortable vinyl.

## Insert

Insert Wristbands are available in a variety of colors and sizes to suit your needs. All bands are made from a comfortable soft vinyl, and feature a snap or adhesive closure. Cards are included with all insert wristbands, and slide easily into the wristband's protective pocket.

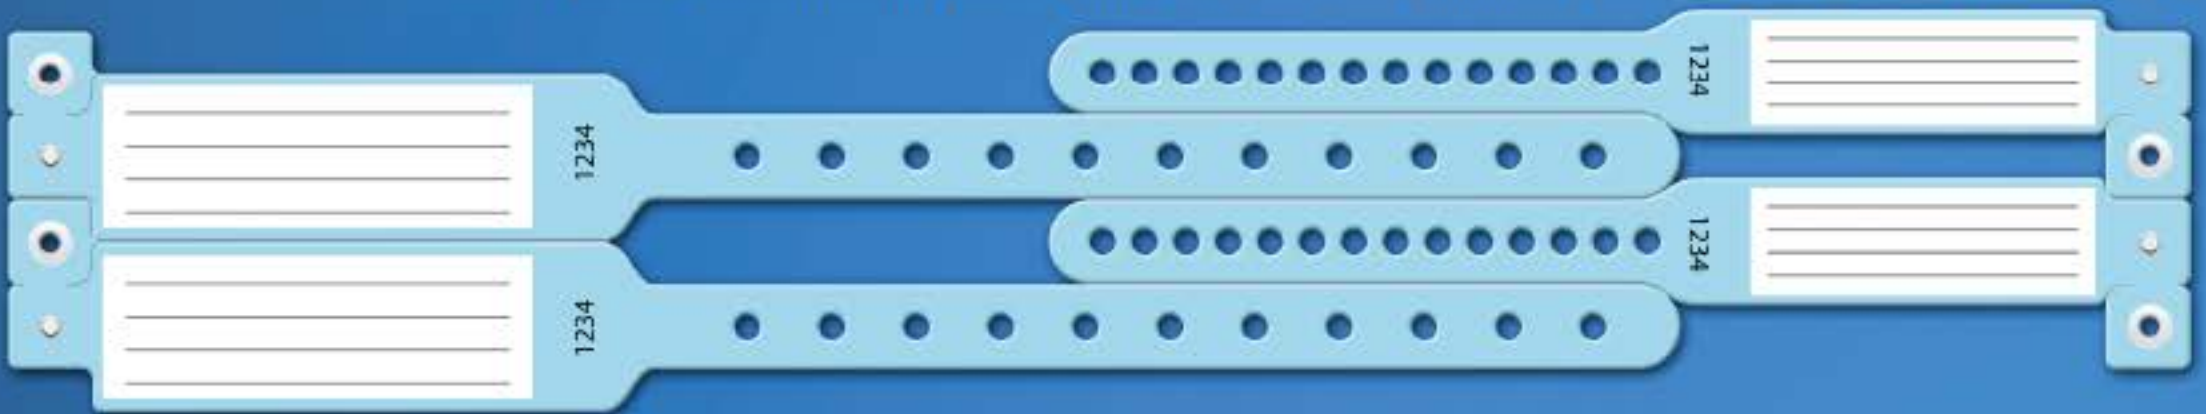

## Write-on

Fast and Easy to use, Write-on Wristbands are a great way to keep track of important patient information. Each Write-On Wristband features a wide faced area for permanent transfer of patient data.

## Mother & Baby

Available in 2-part, 3-part, or 4-part sets, our Mother & Baby Bands are soft, comfortable and safe for the most sensitive skin. All Mother & Baby Wristbands feature identical numbers on each band for easy positive identification of mother, baby, and other family members. Available in Imprintable or Insert style.
